DEAR

If you are writing me a **letter**, the '**Four Gift Rule**' is so much better.
Draw and **write** these **Bold** and clear; and your request I'm sure to hear.

1

SOMETHING I **WANT**

2

SOMETHING I **NEED**

3

SOMETHING TO **WEAR**

4

SOMETHING TO **READ**

Some more things that it must say is how you want to **mark the day**.
Tell me things you'd like to **eat** and do with family as a **treat**.

Don't forget to think of others, **not just** your sisters and your brothers.
Can you think of **one kind thing**? Imagine the **joy** that it would bring!
Tell me how you will be kind, to make sure we have you in mind.

Be helpful, friendly, and listen well. Will I visit? Time will tell. But if
you follow my advice I promise a **Christmas** that's warm and nice.

From,

Santa
